

Manufacturer of sheet handling equipment (paper, board, card etc)

Opportunity to acquire a well established machinery & equipment manufacturer for the print finishing industry based in the South East.

Highlights include:

- ✓ Average annual turnover circa £350k (exc. Covid years)
- ✓ High margin and strong profits
- ✓ Products made to order from company's copyrighted designs
- ✓ Good spread of customers with no client concentration
- ✓ 15 individual products
- ✓ Well established - 35 years
- ✓ Worldwide sales both direct and through other OEM's

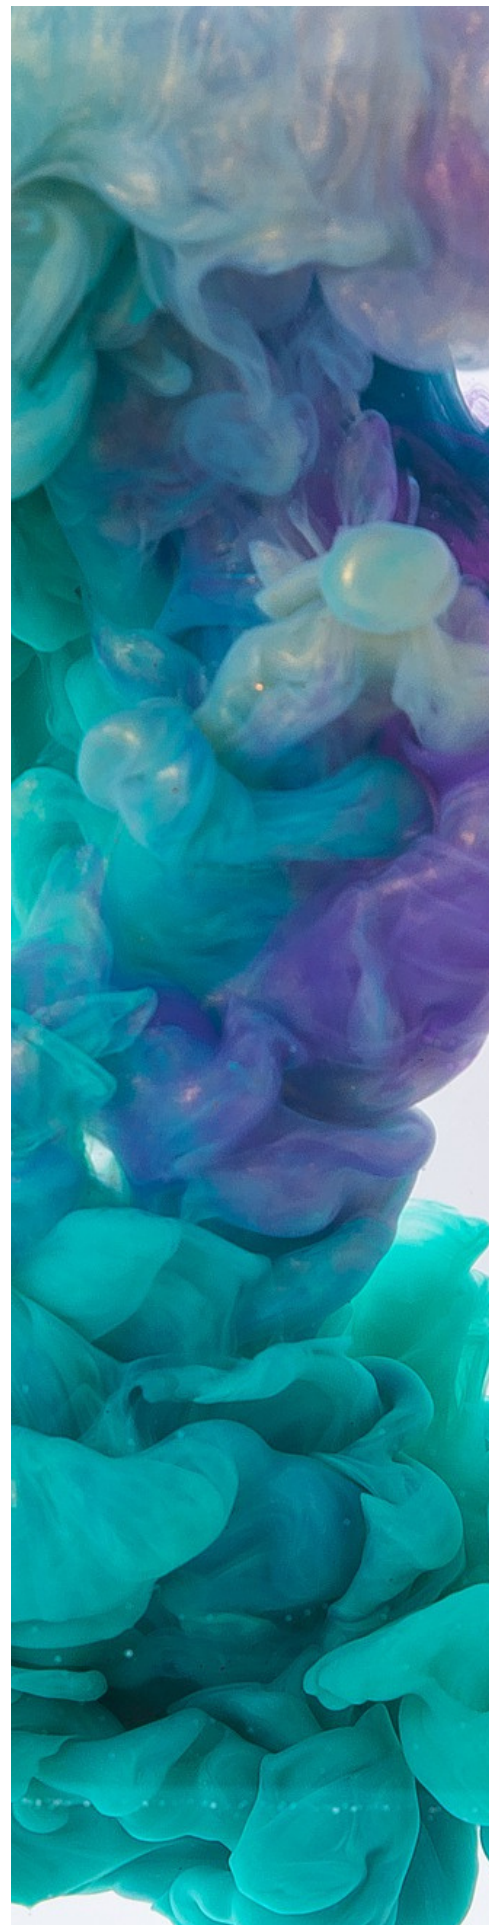

Available due to the retirement of the owner, this is a fantastic opportunity to acquire a South East based machinery manufacturer of a wide range of standard machinery; mainly for paper, card and board handling in the printing, packaging and labelling Industries.

This is an ideal opportunity for a manufacturer of print or packaging equipment to increase their portfolio with a diverse range of products, whilst also capitalising on the scalability and infrastructure within this business.

With a significant amount of repeat orders through resellers of the equipment, many long standing relationships underpin the continuity of sales.

Current sales UK Nationwide, making the business easy to relocate into an existing operation.
