The bakeries are well established with strong branding, benefitting from good local customer footfall as well as visitors, being situated in tourist hotspots.

Almost all products hand made on both sites from proprietary recipes with quality and freshness being key to the offer. Both sites have indoor and garden seating but also do well from take away trade.

C30% net profits were achieved in 2021 on sales approaching £1m, based on limited opening due to restrictions. There is a total of 19 staff across both sites.

The Company is for sale for personal reasons and the vendors may also be open to selling individually.
